top 10 b2b websites

Here [Bags and cases teams](#) are going to discuss about the B2B sites in the world .Now a days online B2B market .This type of business,trades,deals can be performed through these websites .So here make a top ten list of the best B2B sites from China!

NO.1:[LinkChina](#)

LinkChina is an online marketplace for international buyers and China wholesale suppliers and manufacturers. With our web-based business platform, we enable global buyers to find the latest, quality and competitive-priced products from Greater China suppliers directly. Find all quality products from China selected merchants, at wholesale price, including apparel, handbags, shoes, sports goods, electronics, makeups, and other items.

[NO.2 Alibaba:](#)

This is the largest B2B portal in the world; you can put 50 products on it for free. Enough products and companies on it. Compare to soldouteasy.com, its data not open to other search engines. Only customers of alibaba.com can get you products information.

[NO.3 tradetang.com](#)

TradeTang is a comprehensive business-to-business (B2B) trade solution provider offering one-stop trade services to both international buyers and domestic sellers.

As a Third Party online business platform, we provide our buyers with an efficient and manageable procurement process covering every phase of the international supply chain and streamlining trade channels.

[NO.4 lightinthebox.com:](#)

LightInTheBox.com has been a worldwide business leader in selling

blue-ribbon consumer goods since 2006. From the moment we founded LightInTheBox, our vision was to empower people worldwide in buying and selling online.

NO.5 made-in-china:

It is a good place to find OEM companies in China. This is NO1 or NO 2 hot B2B portal in China. It's weakness same as alibaba.com, data not open to other search engines.

NO.6 ec21.com

This site created by a Korean, main market is in China. We tried to register when we started the B2B sites research, but when it ask me put the code of my email address, I refused, unfortunately, I was turn down by this company. We tried to sign in, it always shown Unregister ID, recently we get several email from this site. We really lost interesting, there is a Soldouteasy.com with an open data system, somebody want do free trade, really have no worry.

NO.7 dhgate.com

DHgate.com is a B2B e-Commerce website serving Chinese sellers and global buyers since 2004. As a leader in B2B online trading, DHgate is proud to be PayPal's largest client in the Asia-Pacific region. Our buyers are from the US, Europe, Australia and Asia—totaling to over 230 countries worldwide. We also boast over 10 million product listings from more than 100,000 dedicated Chinese suppliers. On Dhgate.com, international buyers can purchase directly

from Chinese wholesalers and factories, who offer a wide range of products at very low prices.

[NO.8 globalsources.com](#)

It has a very big data base system of Asia; it is a excellent place to find your customers or your potential partners from Asia.

[NO.9 importers.com](#)

This site originally from the United States, allowed register ID for free. Good flow in Europe, if your market or you want open new market in Europe or North American, it is good to use. Customers allowed send only 10 messages in one month. If you have a small business, it is a good help.

[NO.10 tradeKey.com](#)

Recently raised B2B websites, original from Saudi Arab, but right now it not allowed free member post their products anymore. The early free members allowed have 20 free trade offers only, you can update, but if you deleted one, that means you have 19 free trader offer left.
